and for our church family as we welcome them.

Stephen Ministry

Need Someone to Talk To?

Stephen Ministry provides one-to-one (over the telephone for now!), confidential care for those who are struggling through a difficult time – experiencing grief, divorce, job loss, chronic illness, or other life crises. Trained Stephen Ministers are compassionate lay people with the skills for distinctive Christian caregiving. To get more information about receiving care or becoming a Stephen Minister, contact our Stephen Leaders through the church office.
