Health Shutdown
If it becomes safe to open the church building and gather in person, we will put the word out via the E-News and social media.

Need Someone to Talk To?
Stephen Ministry provides one-to-one (over the telephone for now!), confidential care for those who are struggling through a difficult time - experiencing grief, divorce, job loss, chronic illness, or other life crises. Trained Stephen Ministers are compassionate lay people with the skills for distinctive Christian caregiving. To get more information about receiving care or becoming a Stephen Minister, contact our Stephen Leaders through the church office.

Summer 2020 VBS & Day Camp
After considering our options and present circumstances, we are sad to inform you that we will not be having Preschool/Kindergarten VBS in June or Day Camp in July. This decision has been made in partnership with our youth programming leaders and our pastoral staff as we do our best to make appropriate decisions to keep our youth safe. We hope to have some sort of VBS and Day Camp 'thing' this fall before school starts, if it is possible, or we may look into other options as we emerge from this uncertainty. We will miss having your kids fill our building this summer, but we are proud of the ways you are protecting and leading your families from home!
