Communion Wine

One of the many tasks Wayne Brandt did for LCR was make Communion Wine from the grapes grown on our patio. His wife, Valerie, will give his wine making tools to anyone who will take over this ministry. Please call the office if you are interested.

Water Bottle Ministry

"For I Was Thirsty, and You Gave Me Something to Drink"

Matthew 25 tells us to give food to the hungry and a drink to the thirsty. With our doors not being open for water fountain and bathroom use this summer, we've discovered kids from the skate park using our outdoor water faucets to get a drink. In response, we've put a box filled with water bottles outside the front door area, plus a recycling box for the empty bottles. The water bottles are VERY appreciated, so we could use your help with this neighborhood ministry. You can drop water bottles off at the church during regular office hours, or send us a check or donate via PayPal (put "water bottles" in the comments) and we'll use it to purchase more water. Thanks for your help with this caring summer ministry!
