

# Fellowship

## Virtual Coffee Changes

As LCR is now having two drive-in services on Sunday mornings, we have adjusted Virtual Coffee accordingly. Two great options are available:

1) After Sunday 8:30 worship service has ended, park your car on the north side of the church parking lot. Make sure to bring a lawn chair (to social distance), your mask, and a beverage, and meet for in-person coffee in the grassy area to the north of the church.

2) Join us on Wednesday evenings for our Evening Song Interactive Zoom – a wonderful time where we've combined fellowship, worship, & discipleship. If you'd like to join for fellowship, feel free to [log in at 5:45 pm](#) to chat. We get the actual service going around 6 pm, singing songs (traditional and contemporary); enjoying scripture, lesson, and discussion with one of our pastors; and a time of prayer. If you would like to join us for this event any week, you can find the link on the church website, or you can copy the link below. *Please let us know if you have any questions!*

## Coffee with Pastor Jeff

As a way to meet the congregation, Pastor Jeff has been holding a series of gatherings at LCR on the patio. Due to the popularity of these events, there are time-slots available in October, too! Each gathering is limited to 9 folks from the congregation. This is a chance for Pastor to share a bit more about himself and for you to share a bit about yourselves and LCR. The gatherings last for an hour. In case of poor weather, we'll meet inside at the café area for those

who are comfortable with an indoor setting. Sign up at the following link, or call the church office (319-377-4689) - <https://tinyurl.com/CoffeePastorJeffSUG>.

## "Surf and Turf" Yahoo Pro Football League

Attention NFL Fans: would you like to participate in a fun weekly competition for the upcoming NFL season? Pastor Jeff would invites you to join the Yahoo Pro Football Pick'em Private Group: "Surf and Turf."

Click the following link -

<https://football.fantasysports.yahoo.com/pickem/register/joingroup>

- and fill in group #13740. Password is SurfandTurf. (If you don't have a Yahoo account they may ask you to create one. It is free and you don't have to ever use it.) PLAY BALL!

## Dear Friends,

I have so much to be thankful for, especially my time serving at LCR for fifteen months. I learned a lot. I pray I will never have to use what I learned about serving during a deadly virus and a destructive derecho! Thank you for being cooperative, faithful, and patient as we have had to be creative and flexible. Also, thank you for the drive-through farewell, the many cards, and the gifts of money we received from you. I pray that God will continue to bless your ministry under the leadership of Pastor Jeff.

*Sincerely, Pastor Denny*

*(top to bottom) Denny & Winnie greet LCR friends

Harriet & Susan prepare Denny's farewell quilt*

*Welcome*

As we show our love and respect for others, we ask that you:

- Wear a mask over your nose and mouth
- Practice social distancing of at least six feet
- Do not enter if you have a cough, fever, or feel unwell
- Practice good hand hygiene

*Thanks!*

**Pastor Jeff** - I do not believe any of us in March thought that Fall would find us still living under the Covid-19 precautions. While I am committed to helping us find a way back to a more normal schedule and activities, I am also first and foremost concerned with doing this in a safe and reasonable way that does not jeopardize each other's health and welfare. As the situation allows, **we will continue to open up our building to limited numbers that are in keeping with current directives.** I appreciate your patience, as this is a fluid situation that defies a set timeline. This has not been an easy time; but we are grounded in Christ and, like our ancestors, we move forward in faith, hope, and love!
