**A Few Things You Should Know  
About Your Next Senior Pastor**

*Hello Friends!* I hope this article finds you well and at peace! I thought I'd take a few minutes and write to you about your next Senior Pastor. The Call Committee has been working hard to find the right person to lead the congregation, and they have been fortunate enough to begin actual interviews with candidates. I have no idea who your next pastor will be but I do know what you should expect from your next pastor, so here are a few thoughts...

1. I guarantee that your next Senior Pastor will be a person. Seems rather obvious, but you can take it from me that sometimes people forget that church staff, and especially pastoral staff, are fully formed human beings with hopes and dreams and feelings. Whoever your pastor is, he or she will need to be greeted and welcomed as a person who has gifts and talents as well as flaws and quirks. It will be up to you as individuals to remember that reality and treat your next pastor accordingly. Give that person the freedom to express their gifts and talents, and be quick to forgive flaws and quirks.

2. I guarantee that your next pastor will be new here. Again, this might seem obvious but it is worth it for us to remember that our next leader will also come to us in the form of an expected guest who will need to be actively welcomed into our community. Take it upon yourself to be a wonderful host.

3. I guarantee your next pastor will love you. This is a wonderful congregation brimming with gifts and faithful disciples who are committed to the ministry of LCR. Your next Senior Pastor will be blessed to have you as parishioners.

Your next Senior pastor will be blessed with a fantastic staff. Your next pastor will be blessed with a fantastic community. You will be a blessing to this person. That is a simple fact.

Let us pray together for our next Senior Pastor. Let us pray for this person. Let's pray for this expected guest. Let's pray for the person who will come to lovingly serve you. I guarantee that your next pastor is praying for you!

Peace, *Pastor Nate*

## New Organ Update

Some members of our congregation have asked a few questions about the possibility of obtaining a new organ for our church. We will try to answer those questions as clearly as we can at this early stage in the process.

**Q: “Why do we need a new organ? The one we have sounds just fine.”**

A: The organ seems to have a mind of its own (if that was possible), in that some keys work at one time and then refuse to work at another time - not always the same key. Our organists are so adept at adjusting to the sudden changes that most of us do not recognize a problem. In fact, the organ has totally stopped during one practice session.

**Q: “Organists are hard to find these days. What happens in the future?”**

A: Organists ARE hard to find, no doubt about it. It would be much more difficult to hire a new organist IF we have an organ that seems to be dying. We also have 2 dedicated people playing now and one of our members can step in if needed.

**Q: “How much is a new organ going to cost?”**

A: Good question! We are exploring various installations around our area and have discussed costs with two organ company representatives. We are dedicated to obtaining a sound working organ at a reasonable price. We recognize our building is not suitable for a pipe organ and also not suitable for some of the larger electronic organs. We don't have a \$\$ figure as yet - that will be determined by the final selection.

**Q: “I’m interested in making a donation for a new organ. How do I do that?”**

A: There is an Organ Fund account in place. If you wish to make a donation, be sure to make a note directing it to that fund. Further information on the Fund will be coming when we have made a selection of a new instrument.

**We are open to further questions** anyone might have. Please contact one or more of the Organ Committee members who will try to answer your question or will try to find more information if that is needed.

*Committee members:* Matthew Lang, Cari Redondo, Laurie Stock, Marlin Oeltjen, Barb Hazelton, Marcie Vogel

*Our two organists:* Ruth Armstrong, Cheryl Irland

# Ministry

## January/February Mission Envelopes

...will go to FLY (Feeding Lunches to Youth). There are students who rely on the hot lunch program in their schools for the main meal of the day. When there is no school, there is no meal for them. There are 6 congregations who take part in this meal program by: making sandwiches, sacking the lunch bags, delivering the lunches, passing out the lunches, and returning the leftovers.

## Personal Care Kits

The Mary Martha Rebecca Circle is now collecting NEW light-weight bath towels and 3 or 4 oz. soaps for personal care kits. Other items for the kits have previously been donated or will be purchased by the

Circle. Donations may be placed in the marked tub in the gathering space. The assembled kits will be sent to Lutheran World Relief to be distributed to people whose homes have been destroyed, or to those who've had to flee their homes to protect their lives. If you have questions, please contact Lareen Gull at 373-3304

## Encore Café

The Encore Café is your one-stop shop for nutrition, socialization time with friends, and health education. Locations are at Lowe Park and the Marion Public Library. Check our entryway bulletin board for the daily menus and the number to call to make a reservation. Encore Café also offers a number of informational programs on health-related and other topics.

## Nursery Position

Resurrection Lutheran is currently hiring one part-time nursery attendants for Sunday mornings from 7:45 to 11:45 am. We are looking for responsible, caring, and faithful people to serve with our precious little ones, infant through age 5. These are paid positions, \$18.75 per hour. Applicants must be 21 or older. Job descriptions and applications are available on the entryway bulletin board; please return to Evelyn Beck in the church office.

## Time and Talent

We will be doing new Time and Talent volunteer opportunity sign-ups in February. Please take time to think about how you wish to serve at LCR in 2020.

If you are currently in a ministry and have a need for more volunteers, or want to add or change something, please contact Marcia ASAP ([marcia@lcrmarion.org](mailto:marcia@lcrmarion.org)).

If you have an idea for a new group or activity that you would like to see happening at Resurrection, we can put that on the Time and Talent sheet too, hopefully finding other people who would like to take part, too.

## Feeding Lunches to Youth

The FLY Board met on Monday, February 3rd and it was decided the Spring Break sites will be Squaw Creek, Marion Village, and Valley View, with another possible site in the Marion Independent District being added.

FLY board members have been making HACAP deliveries to four Marion Independent schools every Friday with about 80 bags going home in just the MISD schools alone. HACAP sends bags of food home with area students on the free/reduced lunch program to make sure they have food over the weekends.

FLY will also be purchasing car flags and magnets with the FLY logo on them to better help children and families identify volunteers' vehicles when they deliver the sack lunches.

Applications for the FLY internships will open on February 5th with a closing date of March 1st.

***FLY is in need of supplies and I have offered to do a collection of brown paper sack lunch bags at LCR. Please look for the tub in the Gathering Space to leave your donations of #4 size brown paper bags.***

If you have any questions regarding FLY, please contact me at [jill@lcrmarion.org](mailto:jill@lcrmarion.org). - Jill Hansen

# Stephen Ministry

## Stephen Ministry Training Class in the Home Stretch!

The class of 8 Stephen Ministers at Lutheran Church of the Resurrection is nearing completion, with five class sessions left before the group is commissioned on *March 8th and 11th*.

"Our trainees have worked extremely hard and their dedication is paying off," says Mary Hajek. "The course has involved pre-class reading assignments and in-class lecture, discussion, and role playing. Our trainees are showing growth in knowledge and skills."

A recurring emphasis of Stephen Ministry training has been confidentiality. What a care receiver says to his or her Stephen Minister is held strictly confidential. Even the identity of the care receiver is kept confidential from other Stephen Ministers - and everyone else.

The emphasis on confidentiality is important for potential care receivers. Most people are reluctant to share their problems and situations because they're afraid of others finding out. The confidentiality of Stephen Ministry lets people know they can discuss difficult concerns with their Stephen Minister and not be afraid of other people finding out.

After the class is commissioned and new Stephen Ministers receive their first care-giving assignment, their training will continue. Continuing education is an important component of Stephen Ministry. They will meet twice a month for continuing education and supervision. It is used to enhance their skills and learn new ways to care. *We want to provide the best care possible to our care receivers.*

Please contact the office if you or someone you know could benefit from having a Stephen Minister.
