Spiritual Gifts

Our Special Abilities

All of us have been given special abilities - gifts - from God. Spiritual gifts are abilities given for the sole purpose of building up the Body of Christ (the group of Christian believers).

What do you like to do? What are your interests? What do your friends and family members tell you that you do well? What are your passions? Answers to these questions will help you identify your gifts and abilities.

We are asked to share our gifts with others. I Peter 4:10 *"Each one, as a good manager of God's different gifts, must use for the good of others the special gift he/she has received from God."* (TEV)
