Hello Wednesday Night Live Families!

I am so excited to be joining your children for Wednesday Night Live this year! I think this program provides an excellent opportunity to build friendships and talk about Jesus in a laid back setting. It provides the perfect midweek break to re-center your child on what is important and gives them something fun to look forward to in the middle of the school week.

This year, WNL will be open to students enrolled in 4th through 6th grades. We hope to send them off to confirmation in 7th grade with a great sense of community with their peers. Another hope for WNL this year is to bridge the space between our children's programs here at LCR. I want our students to see that what they are studying in Sunday School has real life application. I think we will find that there are plenty of opportunities to tag in our Sunday morning lessons throughout the week!
