TESTIMONIALS

"Thanks to the Biderman scholarship, I was able to take my first year at the University of Northern Iowa to explore different subject matters that interested me. It allowed me to place all of my attention on obtaining a degree in Psychology as well as focus on my studies."

Emmie Buse

"The Biderman scholarship was a wonderful source of financial aid for my first year at Iowa State University. With this help, I was able to focus on my school work and more effectively pursue my degree in Linguistics."

Zoë DeKruif

"I am grateful for the generous support from the LCR Trust Fund! It has made a huge difference for my family and me. It helped not to have to worry as much about the financial side of attending seminary, and I am thankful for their prayerful support along this journey."

Aaron Schutte

"No person should feel helpless or alone when it comes to their mental health. LSI's therapy services empower Iowans along the way to a healthier, happier future. Thanks to gifts like yours from the Church of the Resurrection's Trust Fund, LSI was able to continue mental health therapy. During the COVID pandemic, LSI therapists provided more than 19,000 virtual therapy sessions to clients, which allowed individuals and families to remain safely at home while receiving services."
