**SCHOLARSHIPS**

2024 Biderman Scholarship Recipients

Scholarships are available to LCR high school seniors, and also to LCR members attending seminary.

I am so thankful for the Biderman scholarship to support my journey to become a veterinarian. I will be attending Simpson College studying environment science and pre-veterinary courses. I am so thankful to be a part of the LCR congregation. Volunteering in Sunday School and Feeding Lunches to Youth has provided me with diverse experiences for my future."

- Emerson Fleming, 2024 Biderman Recipient

Thank you for the Biderman Scholarship. My goal is to become a pharmacist in a hospital setting. I will be attending University of Iowa. Church has taught me that if I have a struggle or question something that happened in my life I can always remember that if I did not have the strength to continue God could guide me through.

- Josephine McRoberts, 2024 Biderman Recipient
